Timely Ballot Processing

- Missouri Voters (4:1) support allowing local election officials to process ballots as they arrive, replacing current rules that prohibit immediate processing that may lead to reporting delays.

METHODOLOGY: This probabilistic survey was conducted January 16-18, 2023, with 500 likely general election voters. It has a margin of error of $\pm 4.34\%$. Known registered voters were interviewed via live phone, text-to-web, email-to-web, each tied back to the voter file. This survey was weighted to a likely general election voter universe in Missouri
